BAMA SERVICES

Building People

100% Indigenous Owned

2026 Capability Statement

Bama Services is a 100% Indigenous-owned, multi-award-winning social enterprise delivering high-quality landscaping, garden maintenance, construction and cleaning services across Far North Queensland. Since 2010, we have grown from a small local business into a trusted delivery partner with over $50 million in contracts delivered for government, corporate and community clients.

15+ Years in operation	**100%** Indigenous-owned	**$50M+** In contracts delivered	**75%** Indigenous workforce (up to)

About Bama Services

- Established under Cape York Partnership to create employment pathways for Indigenous people
- Combines commercial discipline, cultural strength and a solutions-driven approach
- Supply Nation and Social Traders certified social enterprise
- ISO certified: 9001:2015 (Quality), 45001:2018 (Safety), 14001:2015 (Environment)
- Track record of projects delivered on time, on budget and to high safety and professional standards
- Success measured by client success
